during such period that it is commonly owned with U.S. Patent No. 6,186,636B1, and is binding upon the grantee, its successors or assigns.

The Assignees do not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,186,636B1, in the event that it later expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.32(a); has all claims canceled by a reexamination certificate; or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Please charge Deposit Account No. 12-2475 for the \$55.00 required Terminal Disclaimer fee under 37 CFR § 1.20(d). If this amount is incorrect, or if any additional fees are due, please charge or credit Deposit Account No. 12-2475 for the appropriate amount.

I hereby declare that all statements made herein on my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
